PROFESSIONAL PROFILE

Practical full-stack developer with experience in web, mobile and backend development, combined with a long-standing background in operations, human resources and business development. I build modern applications with React/Next.js, TypeScript, Node.js/NestJS, PostgreSQL/Prisma and Docker. My strength is understanding real business workflows and turning them into clear, maintainable software solutions.

TECHNICAL SKILLS

Frontend	React, Next.js, JavaScript, TypeScript, HTML, CSS
Backend	Node.js, NestJS, REST APIs, Authentication, API Design
Data	PostgreSQL, MongoDB, Prisma, Relational Data Modeling
Tools	Git, GitHub, Docker, Vercel, Expo, PowerShell, VS Code
